Bristol Business Network Charity of the year 2010 -2011

How you can help

1. Many companies have charity committees – if yours does it would be great to get an introduction to the chair or other members.
2. As well as hard cash we also need IT hardware, office equipment, furniture etc. If you become aware that your company or a client company are getting rid of good stuff then you might point them in our direction?
3. Also as I mentioned we are currently collecting old mobile phones and inkjet cartridges for recycling which raises money for us. A new fundraising initiative is recycling old jewellery – gold silver, costume jewellery and watches broken and damaged all can be recycled and raise money for us.
4. You may be a member of a sports club, a choir, or other leisure group. These often raise money for charities also – consideration of Jessie May would be very helpful.
5. An opportunity for you to market your business through sponsoring our newsletter for example. Or a great way of raising team morale by a team participating in a fun fundraising event.

If you want any information on any of these ideas then please email me or ring me

Thank you
