First of all, a Happy New Year to you!

2010 has started with the whole country being "snowed in".....everything outside has been transformed by a beautiful carpet of snow. So why not transform things "inside", by taking advantage of our great winter promotion.

**20% off all new orders in January!**

Not only are we holding back on the 2.5% rise in VAT...we are also taking 20% off all new enquiries made in January.

### **DARREN'S CORNER**

***Look after your business from the entrance!***

First impressions count, and customers only need a couple of seconds to make up their minds about your business.

Therefore it is important to have a tidy entrance. Are people trudging dirt and snow into your premises? Is your mat looking tired?

For as little as £16 per sq metre, we can freshen up your entrance area with a wide range of colours and matting products, also ensuring your carpet stays cleaner for longer. Darren can bring samples directly to you, providing a free no-obligation estimate.

### **What to do back at the office**

Review the business cards from around the table and any others that you were given) and ask yourself the following questions:

- Who shall I write to and say how good it was to meet them?
- Would one of the people you met today benefit from your newsletter/being part of a forum?
- Is there some I met today who I need to contact for help/advice/collaborative strategy?
- Who shall I call and make an appointment to see?
  - Who am I going to tell about somebody I met today that could help?
  - Who else could benefit from an introduction to one of the people I met today?

Always keep in mind the members of The Business Network and on the lookout for any way in which you can pass on leads
