

[New Google Search Options to filter Search results](#)

Submitted by Nigel Finch of www.thenationalpages.co.uk

On October 1st 2009 Google introduced new Search options that you can see by clicking the [Show options...](#) link just below the Search bar.

There are nine new search options that can be used to filter search results. These include Past hour, date filters e.g. Past week, Shopping sites, Visited pages, Not yet visited, Books, Blogs and News.

I'll show you how it works. We posted an article about [Business Network \(SW\)](#) on The National Pages [Business Directory](#).

A Search for "[Networking Groups Taunton](#)" shows a link to the Business Network (SW) Gold Profile on www.thenationalpages.co.uk in position 3 on Google Page 1 as shown here:

The screenshot shows a Google search interface. At the top, there are navigation links: Web, Images, Videos, Maps, News, Shopping, Mail, and more. The Google logo is on the left, and the search bar contains the text 'networking groups taunton'. To the right of the search bar is a 'Search' button and a link to 'Advanced Search'. Below the search bar, there are radio buttons for 'the web' (selected) and 'pages from the UK'. The search results section shows 'Results 1 - 10 of about 20,400 English pages for [networking groups taunton](#). (0.09 seconds)'. The first result is 'Business Networking Group - Taunton Ecademy Club' with a description: 'For business people who work within driving distance of Taunton or once used to! www.ecademy.com/module.php?mod=club&c=3078 - [Cached](#) - [Similar](#)'. The second result is 'Ecademy Group - Taunton Ecademy Club - How to become a billionaire' with a description: 'For business people who work within driving distance of Taunton or once used to! ... or Login to participate in this Group and contact its members. Safe Networking - New Site Video Help - Support ... www.ecademy.com/module.php?mod=club&t=611939 - [Cached](#) - [Similar](#)'. There is a '+ Show more results from www.ecademy.com' link. The third result is 'RWN-Somerset Local Groups and Networks' with a description: '4 Networking Have recently started up their business group - another morning breakfast meeting organisation, fortnightly in Taunton, Bridgwater and Yeovil ... www.rwn-somerset.org.uk/localgroups.php - [Cached](#) - [Similar](#)'. The fourth result is 'Business Network (SW) Ltd - Networking Groups - Somerset - TA1 2FU' with a description: 'At The Business Network we offer monthly, structured and business focused networking events in Exeter, Bristol and Taunton. They are all based around a 2 ... www.thenationalpages.co.uk/...Network.../Networking-Groups/.../2648557 - [Cached](#) - [Similar](#)'.

If you click on the new Show Options checkbox (just below the Search Keywords) you will see the search filters on the left.

This provides you a useful tool to find recent items (links to new webpages) that you may not have seen before.

The image below is from a click on Past hour. As you can see Google has indexed an article on Business Network (SW) we posted only 5 minutes beforehand where it says **5 minutes ago**.

networking groups somerset Search

Of course, how frequently Google indexes new articles is based on many criteria. In our case, Google indexes updates to our site frequently.

The new search filters are very useful to narrow down your searches especially to find recent articles, or restrict the search to Books, Blogs and News sites.
