Business ™ South West 2009

15 & 16 October 2009.

Business South West returned to the **Westpoint Arena in Exeter on 16 and 17 October 2008** and attracted businesses from across the region. This **two day event** offered a wealth of expertise to both the exhibitor and visitor alike. The exhibition had a real South West flavour to it with **over 150 exhibitors** and echoed what we all love the area for throughout the arena.

All of our 2877 registered visitors gained a wealth of **FREE** information and valuable business advice to help them through the current difficult economic climate and enable their business to move forward.

Various seminars took place over the two days in the Pyramid Presentation Theatre including topical subjects such as understanding difficult issues in sales in this current financial climate and local information on developments taking place in East Devon such as the new Skypark Development on the edge of Exeter. Thanks to fantastic media coverage of the event on **Exeter FM, Palm FM Radio** and **ITV Westcountry**, an impressive number of visitors made their way through the doors.

With successful turnout of more than **2,500 visitors** attending the free seminars, meeting new businesses and taking part in the Speed Networking, this event really was **the golden opportunity to meet new potential clients.**
