

I'm a member of the "You & I" small business networking group. We pass business leads, referrals and business ideas onto each other, plus hold the odd social event throughout the year. We're looking to expand the group with new members, so were holding a free coffee morning. If you think you might be able to benefit from the event or **possibly wish to join the group**, give me a quick email or call. If you like the idea of business networking but don't want to be tied to weekly meetings and being treated like a naughty schoolboy for missing the odd meeting (or not wanting to pay hundreds of pounds a year to be a member) then come a long to find out more – it costs nothing (except maybe car parking!) and you get a bit of breakfast thrown in.

*** Coffee, Croissants and Profitable New Business ***

Bristol networking group "**You & I Business Club**" has now passed £1,000,000 worth of new business leads amongst its members since its formation four years ago. The club, which meets in the centre of the city for an enjoyable, informal breakfast every other Thursday, has created significant new business opportunities and referrals for its members. The popularity of the group has led to the formation of a sister "You & I" group in Bath, which has grown quickly to include 21 businesses in the city.

As part of its growth, I would like to invite you to its annual "**Coffee and Croissants**" **Event** from 7.30 to 9.30am at the Thistle Hotel, Broad St, Bristol, BS1 2EL on Thursday 13th November. The informal event will showcase many of the businesses who have profited from the strong working relationships within the group where like-minded people share quality networking and new business leads.

There is no obligation to do anything more than enjoy your coffee and croissants but if you decide to apply to join "You & I" at the "Coffee and Croissants" event you will be entered into a draw for a free 3 months of membership and of course an opportunity to profit from the next £1,000,000 worth of new business!

Also, if you would like to exhibit at the event please let me know as we have a small number of places left to market you services.

If you would like to find out more or register for the event, please give me a call, or reply to this email. For further information our website is
